NOTICE: Under the Mechanics' Lien Law (California Code of Civil Procedure 1181 seq.), any contractor, subcontractor, laborer or other person who helps to improve your property but is not paid for his work or supplies, has the right to enforce a claim against your property. This means that, after a court hearing, the court could sell your property and the proceeds of this sale used to satisfy the indebtedness. This can happen even if you have paid your own contractor in full, if the subcontractor, laborer or supplier remains unpaid.
