What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, please call us at the telephone number on the front of this statement, or write to us at: Cardmember Service, P.O. Box 6335, Fargo, ND 58125-6335.

In your letter or call, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of Problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake. You must contact us within 60 days after the error appeared on your statement. While we investigate whether or not there has been an error, the following are true:
 - We cannot try to collect the amount in question, or report you as delinquent on that amount.
 - The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
 - While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
 - We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at: Cardmember Service, P.O. Box 6335, Fargo, ND 58125-6335

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

Important Information Regarding Your Account

1. INTEREST CHARGE: Method of Computing Balance Subject to Interest Rate: We calculate the periodic rate or interest portion of the **INTEREST CHARGE** by multiplying the applicable Daily Periodic Rate ("DPR") by the Average Daily Balance ("ADB") (including new transactions) of the Purchase, Advance and Balance Transfer categories subject to interest, and then adding together the resulting interest from each category. We determine the **ADB** separately for the Purchases, Advances and Balance Transfer categories. To get the **ADB** in each category, we add together the daily balances in those categories for the billing cycle and divide the result by the number of days in the billing cycle. We determine the daily balances each day by taking the beginning balance of those Account categories (including any billed but unpaid interest, fees, credit insurance and other charges), adding any new interest, fees, and charges, and subtracting any payments or credits applied against your Account balances that day. We add a Purchase, Advance or Balance Transfer to the appropriate balances for those categories on the later of the transaction date or the first day of the statement period. Billed but unpaid interest on Purchases, Advances and Balance Transfers is added to the appropriate balances for those categories each month on the statement date. Billed but unpaid Advance Transaction Fees are added to the Advance balance of your Account on the date they are charged to your Account. Any billed but unpaid fees on Purchases, credit insurance charges, and other charges are added to the Purchase balance of the Account on the date they are charged to the Account. Billed but unpaid fees on Balance Transfers are added to the Balance Transfer balance of the Account on the date they are charged to the Account. In other words, billed and unpaid interest, fees, and charges will be included in the **ADB** of your Account that accrues interest and will reduce the amount of credit available to you. To the extent credit insurance charges, overlimit fees, Annual Fees, and/or Travel Membership Fees may be applied to your Account, such charges and/or fees are not included in the **ADB** calculation for Purchases until the first day of the billing cycle following the date the credit insurance charges, overlimit fees, Annual Fees and/or Travel Membership Fees (as applicable) are charged to the Account. Prior statement balances subject to an interest-free period that have been paid on or before the payment due date in the current billing cycle are not included in the **ADB** calculation.

2. Payment Information: We will accept payment via check, money order, the internet (including mobile and online) or phone or previously established automatic payment transaction. You must pay us in U.S. Dollars. If you make a payment from a foreign financial institution, you will be charged and agree to pay any collection fees added in connection with that transaction. The date you mail a payment is different than the date we receive the payment. The payment date is the day we receive your check or money order at U.S. Bank National Association, P.O. Box 790408, St. Louis, MO 63179-0408 or the day we receive your internet or phone payment. All payments by check or money order accompanied by a payment coupon and received at this payment address will be credited to your Account on the day of receipt if received by 5:00 p.m. CT on any banking day. Payments sent without the payment coupon or to an incorrect address will be processed and credited to your Account within 5 banking days of receipt. Payments sent without a payment coupon or to an incorrect address may result in a delayed credit to your Account, additional interest charges, fees, and/or Account suspension. The deadline for on-time internet and phone payments varies, but generally must be made before 5:00 p.m. CT to 8 p.m. CT depending on what day and how the payment is made. Please contact Cardmember Service for internet, phone, and mobile crediting times specific to your Account and your payment option. Banking days are all calendar days except Saturday, Sunday and federal holidays. Payments due on a Saturday, Sunday or federal holiday and received on those days will be credited on the day of receipt. There is no prepayment penalty if you pay your balance at any time prior to your payment due date.

3. Credit Reporting: We may report information on your Account to Credit Bureaus. Late payments, missed payments or other defaults on your Account may be reflected in your credit report.

Renewal Notification

The Annual Membership Fee on your Account may be charged on your next month's credit card billing statement. This fee will be waived if you close your Account within one billing cycle after the fee is applied. You can close your Account by phone or in writing by contacting us at the Cardmember Service telephone number or address shown below.

INTEREST CHARGES AND ACCOUNT FEES

1. Annual Account Fees:

Each year, the Account will be subject to your payment in advance of an Annual Membership Fee of \$49.00, which will compensate us for maintaining and servicing the Account for the following year.

We do not charge a fee for activating or servicing the Account for the first 12 months your Account is open.

This fee will be charged to the Purchase balance of your Account.

2. You may use your Card for retail Purchases at foreign merchants and for cash withdrawals from foreign ATMs that bear either the PLUS System or Visa logos. Some merchant and ATM transactions, even if you and/or the merchant or ATM are located in the United States, are considered foreign transactions under the applicable Visa rules, in which case we will add the Foreign Transaction Fee **INTEREST CHARGE** described in this section to those transactions. We do not control how these merchants, ATMs and transactions are classified for this purposes. The exchange rate in effect when the transaction is processed may differ from the rate in effect on the date of the transaction or the date of the posting of the transaction to your Account.

If you use your Card at a merchant or ATM that bears the Visa logo (and no PLUS System logo), the transaction will be processed through the Visa system and will be converted into U.S. Dollars according to the applicable rules established by Visa from time to time. Currently, the currency conversion rate used by Visa to determine the foreign currency transaction amount in U.S. Dollars is determined by multiplying the amount of the foreign currency transaction times (a) a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives, or (b) the government-mandated rate in effect for the applicable central processing date. If your foreign transaction is in foreign currency prior to being processed by Visa, we will add a Foreign Transaction Fee **INTEREST CHARGE** of 0.00% of the Purchase transaction or 0.00% of the ATM transaction. If your foreign transaction is in or converted to U.S. Dollars prior to being processed by Visa, we will add a Foreign Transaction Fee **INTEREST CHARGE** of 0.00% of the Purchase transaction or 0.00% of the ATM transaction. If you use your Card at an ATM that bears only the PLUS System logo (and no Visa logo), the transaction will be processed through the PLUS System and will be converted into U.S. Dollars at the exchange rate established, from time to time, by the operator of that ATM. To the converted transaction we will not add a Foreign Transaction Fee **INTEREST CHARGE**.

If you use your Card at an ATM that bears both the Visa and PLUS System logos, the ATM operator will determine whether to send your transaction over the Visa or PLUS System network using such network's respective currency conversion rules then in effect (as explained above).

3. You have a 24 to 30 day interest-free period for Purchases provided you have paid your previous balance in full by the Payment Due Date shown on your monthly Account statement. In order to avoid additional **INTEREST CHARGES** on Purchases, you must pay your new balance in full by the Payment Due Date shown on the front of your monthly Account statement. There is no interest-free period for transactions that post to the Account as Advances or Balance Transfers except as provided in any Offer Materials. Those transactions are subject to interest from the date they post to the Account until the day they are paid in full.

4. Balance Computation Method: Average Daily Balance (including new purchases).

5. Minimum Interest Charge Fee: There is a minimum **INTEREST CHARGE** Fee of \$1.00 in any billing cycle in which an **INTEREST CHARGE** is due.

6. Interest Rates: The rates are current as of 8/7/2024. In this section, we have abbreviated the terms "**daily periodic rate**" as "**DPR**", and "**ANNUAL PERCENTAGE RATE**" as "**APR**".

The standard variable **APR** for Purchases is 15.24%. The standard variable **APR** for Advances is 29.24%. The standard variable **APR** for Balance Transfers is 15.24%. Please see the "**INTEREST CHARGE CALCULATION**" section above for all current rates on your Account. If the rate is variable, it will vary with the market based on the Prime Rate.
